1. Read the canarese yadi No 6 of the 7th February 1900 from the Superintendent of the Government Indigenous Hospital in Mysore stating that a certificated Pundit by name Appanniah is available for Rs 15/ per mensem. The Superintendent seems to entertain doubts as to placing the Pundit in the sole charge of a dispensary as he has no knowledge of English nor studied anatomy and physiology to enable him to diagnose the diseases he treats &c

Mr P Rangamah member from Kadur stated that the people of Kadur do not want

a stranger to be sent there and would not care to take the timber mentioned in the letter from the Superintendent of the Government Indigenous Hospital. They wish only for one Kachawah, at present a talaki maistry in the Saribus sub Division and located at angadahalli.

Resolved nem con that the subject be referred to the orders of Government.
